

Due to the storm the Department of Public Works will be chipping branches on Monday, January 22nd.

Tree limbs between 1" and 4" in diameter must be placed out in full length with the cut ends facing the street stacked neatly. All brush with roots must be free of dirt and stones. The Village is not responsible for large amounts of brush from tree trimming, tree removal, or clearing of property. Property owners should contact a tree service for excessive brush removal.
